Identification of related parties

The Group has a related party relationship with its subsidiaries, associates and joint ventures. Key management personnel has been defined as the executive and non-executive directors of the Company. The definition of key management includes the close members of family of key management personnel and any other entity over which key management exercise control. Close members of family are those family members who may be expected to influence, or be influenced by that individual in their dealings with the Group. They may include the individual's domestic partner and children, the children of the individual's domestic partner, and dependants of the individual or the individual's domestic partner.

Transactions with key management personnel

Independent non-executive directors do not participate in the Group's SAR schemes or CSP.

Details pertaining to executive and non-executive directors' compensations are set out in Annexure B. Directors' remuneration in total is included in *note 2 Profit before finance charges and associate income*.

The Group encourages its employees to purchase goods and services from Group companies. These transactions are generally conducted on terms no more favourable than those entered into with third parties on an arm's-length basis, although in some cases nominal discounts are granted. Transactions with key management personnel are conducted on similar terms. No abnormal or non-commercial credit terms are allowed, and no impairments were recognised in relation to any transactions with key management personnel during the year, nor have they resulted in any non-performing debts at the year end.

Similar policies are applied to key management personnel at subsidiary level who are not defined as key management personnel at the Group level.

Certain of the directors of the Group are also non-executive directors of other public companies which may transact with the Group. The relevant directors do not believe they have significant influence over the financial or operational policies of those companies. Those companies are thus not regarded as related parties.
